The first section, "This list is for", has a dropdown menu set to "You". The second section, "Choose a list type", has three radio button options: "Shopping List" (with a description "Add items you want to shop for."), "Wish List" (with a description "Let people know what gifts you'd like." and a red circle around it), and "Idea List" (with a description "Make a list for the Amazon community."). The third section, "List name", has a text input field containing "Sky Mountain Material" and a red arrow pointing to it. The fourth section, "Privacy", has two radio button options: "Private" (with a description "Only you can see this list.") and "Public".
